

PRODUCTS > LAYER HENS

Free Range Chick Mix

Barnyard premium free range Chick Mix is designed for backyard chicks. It is a wholesome and nutritionally balanced feed formulated to meet the needs of chicks throughout their early life.

Essential vitamins & minerals.

An excellent all-rounder ration that is suited to meet the needs of hatchlings and growing chicks up to point of lay.

FEEDING INSTRUCTIONS AND NUTRITIONAL INFORMATION

Our premium free range Barnyard range will provide you with the best feed for your chick or layer hens. Barnyard premium free range Chick Mix can be fed ad-lib (free choice) up to point of lay (18 weeks of age). Self-feeders, protected from rain and wind are an excellent method of feeding.

Barnyard premium free range Chick Mix supplies all the nutrients, vitamins and minerals required for your chicks to grow into healthy layer hens.

Always have clean fresh water available at all times. Place the water in a separate container away from the dry feed to minimise spillage and dampness.
